The Football team, consisting primarily of underclassmen (only four SRS and one starter/ two part-timers) grew through the course of the season (0-9). Then we came out in the Sectional opener and defeated Gavit! Then we put a scare into South Bend Saint Joseph before succumbing to the number three team in the state. The "core" of the team stuck it out and grew as players and young men. Life lessons: never give up and never quit! - Coach Zimmer

# TENNIS (Hombres)

## Boys Tennis Players Have a Year.

The 2012-2013 Warrior Netters had a very rough but interesting season. Led by Coach Crystal Ham, the Netters had a shaky team, with only 6 players consistently participating in the regular season contests. 7 players are needed for a full varsity team. As a result, number 3 singles had to forfeit almost every match. Occasionally, Doriane Bryant would fill the position.

At number 1 singles, Joshua Borst had a rough, but competitive, season. Competing against some of the top teams in tennis in Northwest Indiana, he competed in very close matches, while losing most of them. He only was victorious 4 times. Adrian Flores had a great season at number 2 singles, winning 7 of his matches for the season. Number 1 doubles had the best season with 10 victories. James Weisman and MVP Tristan Cummings were ranked number 3 in the Greater South Shore Conference. Andrew Magiera and Michael Rodriguez fought hard this season but only came up with 5 victories.

The Warriors had Gavit as their first opponent in the Munster Sectional. The Netters swept the opposing team, moving on to the second round to face the Griffith Panthers. Unfortunately, the Warriors fell to their opponents in every match except for number 1 doubles, who then went on to Regionals, but were defeated in the first round. The Netter's ended the season with a record of 6-10. - Josh Borst

This year's cheer squad had an eventful season. This loud and spirited group of girls consisted of Brittany Reiser (11), Breanne Armstead (11), Anina Trosper (11), Alicia Burton (11), Ashley Hawker (11), Chelsey Gutierrez (10), Sara Turpin (10), Marisa Simmons (10), Skylar Marks (9), Diamond Burnett (9), and Amaris Houser (9). The team was coached by Michelle Jimenez and Rebecca Bratcher. This year's captain was junior, Brittany Reiser along with sophomore, Chelsey Gutierrez as co-captain. The girls had a great start with some minor bumps along the road but still managed to keep a smile on their faces. By the end of the season, the 11 girls had dramatically dropped down to 3. Mostly all the girls will return for the following year and they are more than ready to bring it! - Brittany Reiser

Although the team only had 15 members (which is small compared to some other teams), the Warriors' Cross Country Team showed that we were a force to be reckoned with. The Boys' Team (Kevin Miller, Andrew Huff, Danny Hurtado, Austin Ashlock, Jeremiah Ratliff, and Austin

Malone) ran their best, placing fifth at Conference and missed making it to Regionals by only a few points. The Girls' Team (Danielle Smar, Summer Brown, Ashley Redd, Deena Hayes, Tiana Burroughs, Brittney Russell, Maria Casteneda, Kassandra Strayer, Abigayle Carda, and Roniece Hollingsworth) had an outstanding season.

We placed second at Conference and fourth at Sectionals, which allowed us to move on to Regionals. We worked hard and proved we had what it takes to be a great team. We expect nothing but improvement in the years to come. - Summer Brown

The Calumet Warriors Basketball team had a different attitude this year than the year before. That attitude was "Do Or Die!" With the attitude of Coach Matt Justin, the Warriors worked hard everyday on skill development. He felt that if everyone had better skills, then the team would win more games. That was only part of it. The team also needed experience.

With the addition of the new C-Team coach, Brian Arthur, experience wasn't a problem. The more players that had in-game experience would determine how the team played together on the basketball court. This season, the team improved by leaps and bounds. With a total of 8 wins during the regular season as well as a sectional advancement, fans will tell you that the 2012-2013 season was a success! - Joshua Borst

Our Bowling team went through a few changes in the season. We

gained new players Karley Hensley, Justin Estrada, Christina Jennings, Liz Kadisak, Sara Dimoreto, and Austin Ashlock. They were a great asset to our team this year.

Marcelina Espinosa and James Weisman were our captains. In addition to new members, we got new coaches. Michael Pavlinac, Ronnie Mitchell, and John Randall lead our team this year.

This year was a fluctuating year for wins and losses. We won some and lost others. Despite that, we were hardworking and gave it our all. I, myself, couldn't ask for any better teammates than my girls. I'm sure the guys felt the same.

Our team was stronger this year than last, and I'm sure next year we'll be even stronger. Our members are driven and determined to win and make Regionals next year. In all, our 2012-13 year of bowling was eventful and wonderful. Go Warrior bowlers!

The Calumet baseball season was a new learning experience for many of the young new members. One thing is for sure, baseball is one of the most fun experiences Calumet has to offer. The coach put it in perfect words: "The score does not reflect our true talent." Although they finished their season with a losing record, you wouldn't be able to tell that with the boys' attitudes.

Being lead by MVP, Marcus Jackson, who also got an offer for PNC, really improved the team as a whole. Also new to the team was the young assistant coach, Matt Bugajski, who improved attitudes and skills year round. Being defensively sound all year, the team held most of their opponents to within 5 runs, which was a huge improvement from the previous year, when the team lost most games by the mercy rule. The Warriors hope to fix the mistakes left from last years' season, and be a tough team to beat for the upcoming 2014 season. - Tristan Cummings

# Yearbook 2013...Yay!

This yearbook almost didn't happen...I found out, in March, that I would again be making it, having thought previously that I would only be working in an advisory role. Thus, a late start, a lack of normal preparation time - and thus, panic. However, we did get it done (barely) and in time (barely), so, as the saying goes, all's well that ends well - or, to quote my favorite poet T.S. Eliot, "All will be well and all manner of thing will be well."

Thanks go, as always, to Mrs. Nancy Gryzch, photographer du jour who has, once again, provided us with most of the amazing pics that here grace our humble pages. Now that her second (and last) boy has graduated, I can only extend my heartfelt hope that she will continue to snap away at our events...you are the best! And we could not have done it without you.

And thanks go, as always, to you dear reader (and buyer), as well as to the small but dedicated staff of students who wrote the wonderful accounts of the clubs and activities in which they participated (which give the yearbook its wonderful 1st person feel.

So, in closing, I shalln't say that it was easy, or fun, but it was, as always, worthwhile, and I hope you enjoy this unlikely testament to fortitude and perserverance...or something like that. :) - Best, Mr. Brugioni
